

To go through the paying Process

When you get to the checkout and have checked your details, etc, you will see a Page that says "Your Shopping Cart". At the bottom of the page check that PayPal is marked and then press the button marked "Send" which is at the bottom of the page. . This will take you into the PayPal page which should look like the example below. You can **either** then pay using PayPal **or** a Credit/Debit card

If you have already have a PayPal account put your email address and password in the boxes and press "Log in" which will take you to your account .

OR If you prefer to pay by card

- 1 Press "Pay with a debit or credit card" which will take you to a second page. This will give your details which you will need to check.
- 2 At the top of the page select the country you are in and then in the 2nd box select the card you wish to use.
- 3 When you have done this press the "Pay" button to complete the process.

NB You can set up a PayPal account at any time if you prefer to use this in the future.
